ASSOCIATION FOR THE RECONSTRUCTION OF THE CUBAN ECONOMY

A R E C

TO ALL CUBANS

TO ALL ORGANIZATIONS AND CORPORATIONS WITH CUBAN INTERESTS

TO ALL FREE MEN

This Association for the Reconstruction of the Cuban Economy (AREC) is a non-political organization, uniting businessmen, industrialists, merchants and professionals, in the following common PURPOSES:

- 1.- To contribute, united and with whatever means and resources we may be able to muster, to the overthrow of the communist regime which rules Cuba, and establish a provisional government that will put into effect the 1940 Constitution opening the way for free and democratic elections within a maximum period of 18 months beginning at once the necessary and indispensable electoral activities.
- 2.- To declare that communism, in all its forms and manifestations, is illegal and at the same time try to prevent its spreading to other countries in this Hemisphere.
- 3.- To work towards, and contribute to establishing in Cuba a representative democratic regime which will promote the economic, social and educational well being of the Cuban people.
- 4.- To endeavour to bring about the unity of all the groups that are fighting in the common effort of overthrowing the communist tyranny in Cuba and consolidate the union of all the Cuban industrialists, merchants, business men and professionals and of all those who have interests in Cuba, in order that their joint cooperation may be more effective.
- 5.- That private property may be respected.
- 6.- To restore democracy in the labor unions, eliminate unemployment through the opening up of new jobs, stimulate agricultural and industrial activity, adequate compensation to labor, a reasonable profit to the employer and effective enforcement of social justice.
- 7.- To bring about free enterprise, with proper guarantees and safeguards to investors, indispensable to foster private personal initiative and diversification of production, restitution to its legitimate owners of all property, industries and businesses illegally and arbitrarily expropriated by the Cuban Communist Government.
- 8.- To give preferential attention to plans for the economic reconstruction of Cuba and to this end organize and regroup the different sectors which constitute its economic, social and juridical basis, and within each sector, to study the measures to be adopted to carry out the total planning necessary for the rebirth of private enterprise and the well being of the country.
- 9.- That the laws of the country and the resolutions of its Courts be respected and enforced and the full enjoyment of the individual and collective rights guaranteed by the 1940 Constitution to all citizens.
- 10.- Solidarity with all the democratic nations of the world and particularly with those of North and Latin America.

WE WANT DEMOCRACY FOR CUBA BECAUSE IT IS THE EXPRESSION OF REJECT FOR THE DIGNITY OF MAN AND FOR ITS OWN RESPONSIBILITY. WE REJECT AND REPUDIATE DICTATORSHIPS IN ANY FORM OF TOTALITARIAN AND AUTHORITARIAN GOVERNMENT, BECAUSE THEY DESTROY THE DIGNITY OF MAN, DESTROY HIS LIBERTY AND INFRINGE HIS INALIENABLE RIGHTS. WE ASPIRE THAT CUBA SHALL ENJOY A CONSTANT INCREASE OF WELFARE AND THAT ALL CUBANS MAY PARTICIPATE IN THE BENEFITS OF THE NATIONAL ECONOMY AND OF A LIFE OF LIBERTY FREE FROM EXPLOITATION.

WE STRIVE AND WORK for the fulfillment of these purposes.

WE NEED the cooperation of all the industrialists, businessmen, merchants, executives and of all the professionals who believe in these ideals and goals.

WE CALL on all Cuban businessmen, industrialists, executives

-2-

corporations and organizations who have or maintain business relations with Cuba, and to all free men who sympathize with the cause of Democracy, to contribute to the accomplishment of our goals and to this end, that they join the AREC, sending in their name, address and telephone number, stating calling or relation with Cuba, that we may undertake their classification and permit thus an effective collaboration with the purposes of the AREC. These data will of course be considered private and confidential.
